Brand Guide Design

Brand Guide Design

A logo is one of a company's most important brand elements, but applying it right every time does not need to be complicated There are two simple rules when using our logo: please read these guideline first and always use a master artwork file By doing that we avoid our logo looking like a poor and distant cousin, which can be very damaging to our reputation

Brand Guide Design

Brand Guide Design

For consistency, we've set logo sizes for all standard 'A' formats. Please stick to these dimensions only

A3
Width: 6cm

A4
Width: 4cm

A5
Width: 3cm

A6
Width: 2cm

Cooperate identity PC Link

(Business Cards design - Letter Head - Envelopes - Pins – Sketches)
